

Privacy Policy

Last modified: 3 December 2017

Our Privacy Policy explains:

- What information we collect and why we collect it.
- How we use that information.
- How we will protect that information.
- How we will handle changes to this policy.

Information we collect

We collect information about what you use and how you use them including:

Device information

We collect information about the device you use to access this site.

Log information

When you access this site, we automatically collect and store certain information in server logs. This includes: your Internet protocol address, details of how you used the site such as your search queries, pages you visited, browser type, browser language, the date and time of your request and referral URL.

How we use information we collect

We use the information we collect to maintain and improve the services provided on this site.

Information you share

Information you share on this web site with members and/or administrators may become publicly accessible.

Information we share

We do not your personal information with anyone outside of the organization except where required by applicable law.

Information security

We will make every effort to protect your personal information from unauthorized access by available means including:

- Connections are encrypted using SSL certificates.
- Security updates are applied when practicable.
 - Note: We do not employ full-time system administrators. Maintaining the web site is performed by members of PTN or authorized personnel.

Changes

We may update this Privacy Policy as necessary. We will not reduce your rights under this Privacy Policy without your explicit consent. Privacy policy changes will be posted on this page. Significant changes will be posted prominently on this site. Prior versions of this Privacy Policy will be maintained for your review.
